

MICROLYNX FIRE PROTECTION SYSTEM is an authorized distributor of wheeled and hand portable fire extinguishers. We offer only commercial-grade fire extinguishers. From the economically priced line of dry chemical and CO2 fire extinguishers, to the new "Clean Agent" extinguisher (Halon 1211 replacement) or the rugged industrial grade hand portable and wheeled fire extinguishers.

We offer an extensive product line to suit every need, with a focus on commercial and industrial fire extinguisher applications.

Types of fire extinguisher include: Water & Foam, Water Mist, Wet Chemical, Regular Dry Chemical, ABC Multi-Purpose, Carbon Dioxide, Halotron I Fire Extinguishers, High Performance Dry Chem & Class D Dry Powder fire extinguishers.

Aside from providing portable fire extinguisher and engineered systems, we are also a one-stop-shop for all your fire protection needs. Some of our products are imported from different parts of the world, designed and manufactured to exacting standards and tested in independent laboratories.

MICROLYNX FIRE PROTECTION SYSTEM proudly offers the following protection equipment:

- * Fire Pumps
- * Fire Protection Valves
- * Fire Hoses and Accessories
- * Fire Hose Cabinet
- * Emergency Light
- * Fire Alarm Detectors
- * Exit Signs
